

**REPORT OF DIRECTOR OF PLANNING  
AS SUSTAINABLE DEVELOPMENT FUND OFFICER**

---

**SUBJECT: ALLOCATION OF FUNDS 2020/21**

**Purpose of Report:**

To consider one application made to the fund since the previous committee of 22<sup>nd</sup> January 2020.

**Background**

The Sustainable Development Fund (SDF) supports innovative sustainable projects that develop and test new ways of achieving a more sustainable living for current and future generations. The funding is to assist projects that focus on demonstrating practical solutions relevant to environmental, social, cultural and economic aspects of life. The day to day administration of the fund returned to the Authority on 1<sup>st</sup> April 2020 following a 15 month period where PLANED administered the fund. The Authority will advertise the fund and will collate applications for consideration by Members.

**APPLICATIONS FOR CONSIDERATION**

For this first round of applications during 2020/21 we are in receipt of one application for consideration. The application in full is attached as an appendix and has been summarised below.

Summary table

<b>Project Name</b>	<b>Organisation</b>	<b>Funding Sought</b>
The Pembrokeshire Remakery	The Pembrokeshire Remakery CIC	£20,000

**Project Summary: The Pembrokeshire Remakery cic**

The Pembrokeshire Remakery has over the last two years trailed a project, funded by LEADER grant, to test innovative ways of running a 'Remakery' organisation and programme of activities and events. A number of activities were tested in north Pembrokeshire to ascertain which methods would be workable, generate an income, benefit the community, and future proof the environment.

From the information learned during the LEADER pilot project, they now seeking funding to create and develop a new show case sustainable social enterprise business model.

The funding will pay for the production of business, finance and marketing plans and also pay for the project managers to deliver the project and drive the business into profit. These plans will set the benchmark to test a viable REMAKERY business for Pembrokeshire. The formation of a Repair Café project model could also be rolled out across Pembrokeshire and will include supporting one another in setting up a 'repair café'. The two founding Directors will manage the project.

### **Funds Available 2020/21**

A total of £100,000 has been allocated to the fund for the 2020/21 financial year.

## **SDF Review**

The Authority will review the current SDF administration arrangements and prepare a review report for consideration by Members at a future committee.

## **Financial considerations**

The SDF budget provides for £100,000 to be allocated for the financial year. The Authority awards circa £5k for “Little Green” projects run via PAVS and, if the above project is approved this would therefore leave £75,000 remaining for other projects

## **Recommendation**

Members are requested to review the application and come to a decision in respect of the request for grant funding.
