Caerfarchell

Outlying areas important to the setting and character of the Conservation Area

Caerfarchell Conservation Area Designated 1997 MAP 3

- A. Land to the north west of Caerfarchell including remnants of medieval field strips, a standing stone and area of common land. Characteristic flat terrain with Pembrokeshire hedge banks important to setting of Conservation Area.
- B. Land to the north east of Caerfarchell including former gentry house of Trewellwell attractively set in a grove of trees including specimen pines. Evidence of early Christian artefacts and carved stones recorded in southern area.
- C. Land to south west of Caerfarchell including characteristic flat fields with hedge banks; some evidence of medieval field systems. Open heath land on fringes of St Davids Airfield. Historic evidence of pre-historic settlement (standing stone). Tresais Farm of historic local importance.
- D. Land north east of Caerfarchell including extensive area of typical fields bounded by hedge banks; Carnhedryn and former Carnhedryn Church prominently visible from Conservation Area.
