JA	March 2026	The Appeals have been completed, and the process of review will commence on the return of the Authority's Head of People Services.
1080	30/07/25	9	Partnership Framework - To check whether NRW should be featured in the list of partners.	MT	22/10/25 NPA	Completed. Was discussed by Management Team when they looked at Partnership Framework Monitoring Matrix in September. With regards to NRW, Head of Engagement and Inclusion considered that the partnership at Castlemartin needed to be acknowledged as a separate entity, and the Tripartite agreement between NRW, MOD and the Authority is captured within the partnership framework. The Partnership Framework does also include other partnerships that NRW are a member of including Public Services Board and Partnership Plan Forum (NRW is one the relevant authority stakeholders).
1081	30/07/25	9	To explore collecting feedback from partners on their experience of working with the Authority.	MT	22/10/25 NPA	Completed. This was discussed at Management Team meeting and it was agreed that they would be supportive of developing a stakeholder online survey. However, work on developing a survey is unlikely to commence until the new financial year, with potential to use it to feed into the development of our next corporate plan and partnership framework monitoring.
