## **2019/20 ANNUAL GOVERNANCE STATEMENT**

### **I. Introduction**

The Pembrokeshire Coast National Park Authority (“the Authority”) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, that public money is safeguarded and properly accounted for and used economically, efficiently, and effectively. It is a Welsh improvement authority under section 1 of the Local Government (Wales) Measure 2009 and as such has a general duty under section 2 to make arrangements to secure continuous improvement in the way in which its functions are exercised. The Authority is also a public body as defined under the Wellbeing of Future Generations Act legislative requirement since 1<sup>st</sup> April 2016.

The Authority has an approved Code of Corporate Governance, which is consistent with the principles of the Chartered Institute of Public Finance and Accounting (CIPFA)/Society of Local Authority Chief Executives and Senior Managers (UK) (SOLACE) Framework ‘Delivering Good Governance in Local Government: Guidance for Welsh Authorities 2016. This guidance recommends that the review of effectiveness of the system of internal control that local authorities are required to undertake in accordance with the Accounting and Audit Regulations should be reported in an Annual Governance Statement. In Wales the inclusion of the Annual Governance Statement in the Statement of Accounts is voluntary. In CIPFA also published an “Application Note to Delivering Good Governance in Local Government: A Framework”. This note has been developed to advise on the application of the “Statement of the Role of the Chief Financial Officer on Local Government” under the CIPFA/SOLACE Framework “Delivering Good Governance in Local Government”. The Authority reviews and adopts any additional guidance as issued and has decided to adopt the CIPFA framework and Annual Governance Statement approach for 2016/17.

### **II. The purpose of the Governance framework**

The governance framework comprises the committees, systems and processes, cultures and values, by which the Authority is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the Authority to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks associated with the achievement of the Authority’s policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

### **III. The Governance framework**

the work of the Authority's Members and its Committees, internal and external auditors, other review agencies (as appropriate) and senior managers who have responsibility for the development and maintenance of the internal control environment. The normal process of review has been impacted by the delay in the production of the Annual Improvement Report from the Wales Audit Office.

The review is based on the six principles of the CIPFA Code of Corporate Governance.

### **Principle 1**

**Focusing on the Authority's purpose, on outcomes for the community including citizens and service users and creating and implementing a vision for the local area.**

The Authority has been focusing on developing work to ensure that it is 'fit for purpose' to meet the challenges of the future.

#### Valued and Resilient: The Welsh Government's Priorities for Areas of Outstanding Natural Beauty and National Parks

The Authority, in partnership with other designated areas has undertaken work consistent with 'Valued and Resilient' priorities.

#### The Wellbeing of Future Generations Act

The Authority has worked with the Welsh Local Government Association (WLGA) as an Early Adopter and undertaken Member and officer training with Brecon Beacons and Snowdonia National Park Authorities (NPAs). The Corporate and Resources Plan for 2019/20 has been prepared to deliver against the seven Well-being Goals set by Welsh Government. The plan shows budget distribution across the Well-being Goals and the Authority's Well-being Objectives.

During 2019/20 the Wales Audit Office carried out field work which focused on: Does Pembrokeshire Coast National Park Authority have an effective approach to involving stakeholders when proposing and making changes to deliver service improvements? They carried out interviews and looked at documentation relating to Future Provision of Information to Visitors and Volunteer Forum alongside the wider approach of the Authority.

The Authority completed the Future Generations Commissioners' Self Reflection Toolkit in 2018/19 which enabled the Authority to assess its performance against the five ways of working. The Commissioner's office arranged workshops to help public bodies learn together and evaluate each other's responses. In 2019/20 the Authority received feedback from the Commissioner on its submission.

#### Demonstrating Strategic Leadership

The Authority approved a new National Park Management Plan (NPMP) 2020/24 in December 2019. Members had been involved with the development of the Plan through workshop sessions.

An opportunities and challenges document was produced to inform the revision of the National Park Management Plan and was circulated for comment in the latter part of 2018. As part of this process the Authority carried out engagement activities to explore mechanisms for engaging with a wider audience. This included a session with Gypsy and Traveller young people and people engaged with the Solva Care Project

### Corporate and Resources Plan

The three National Park Authorities in Wales have agreed to work to a common format of an annual Corporate and Resources Plan to meet the requirements of both The Well-being of Future Generations (Wales) Act 2015 and Local Government (Wales) Measure 2011. The Corporate and Resources Plan document sets out the Authority's Well-being objectives (which are also the Authority's Improvement objectives) and aligned work programme for the forthcoming year and acts as our Annual Improvement Plan Part 1. The Well-being of Future Generations Act also requires public bodies to act in accordance with the sustainable development principles and this document highlights how these principles are embedded in the work carried out to achieve our objectives.

### Quality of Service

The Authority carries out surveys of the effectiveness of its service delivery through customer satisfactions surveys, performance against quality standards and by monitoring formal complaints which remain at a low level. In 2019/20 the three Authority centres have developed business plans which recommend the development and use of Visitor Surveys to gain greater understanding of audiences and their experiences.

### Ffynnon System

The Authority has continued to adopt the Ffynnon system to ensure that we develop and manage a robust system of performance information to highlight the impact of the work undertaken by the Authority. Performance review committee reports are prepared from information captured on Ffynnon.

### Community Engagement

The Authority has endorsed Participation Cymru's 10 National Principles for Public Engagement in Wales. An engagement action plan has been developed to help focus and drive action in this area with three priority areas and three longer term areas. An engagement action plan group is in place to monitor implementation of the action plan and has representation from across Authority departments

The three priority areas within the engagement action plan are

- Testing new approaches to engagement through National Park Management Plan Development
- Development of mechanisms for young people to influence the work of the Authority
- Engaging Volunteers and Service Users

During 2019/20 the Authority established a Volunteer Forum, providing an opportunity for volunteers to learn more about the Authority and influence its priorities, policies and volunteer offer. The forum draws on volunteer representatives from across the volunteer offer, including representatives from Pathways, Volunteer Wardens, Youth Rangers and Activity Leaders..

The Authority is part of the Pembrokeshire Engagement Network which promotes engagement practice and provision in Pembrokeshire.

### Membership of Public Service Board

### Welsh Language Strategy

The Authority has in place a 5 year Welsh Language Strategy and has developed SMART measures that sit under it. Under the Welsh Language (Wales) Measure 2011, all local authorities in Wales must comply with a framework of Welsh Language Standards. Standard 145 requires the Authority to produce a 5-year strategy that sets out how we propose to promote the Welsh language more widely in the National Park. The strategy must also include a target (in terms of the percentage of speakers in the National Park) for increasing or maintaining the number of Welsh speakers in the National Park by the end of the 5 year period concerned, together with a statement setting out how we intend to reach that target.

### **Principle 2**

**Members and officers working together to achieve a common purpose, with clearly defined functions and roles.**

### National Park Grant and Levy

While the NPG / Levy for 2019/20 remained effectively unchanged from the 2018/19 the revenue budget was only balanced by using £167k of surplus reserves. Members and officers have worked together to manage the total reduction in NPG / Levy since 2010/11 of £730k.

### Member and officer Joint Training & Development

The Authority actively promotes joint training sessions between Members & officers.

### Consultations

Members have contributed their comments to responses to Welsh Government and other bodies' consultation papers including: CL

- National Development Framework
- Sustainable Farming
- Independent Remuneration Panel For Wales

### Employee Forum

The Authority has in place an Employee Forum. The purpose of the Forum is to provide a platform for Members and staff to maintain open and collaborative employee relations by discussing a range of employee matters and gaining an understanding from each other on issues facing the Authority.

### **Principle 3**

**Promoting values for the Authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour.**

A Code of Conduct for Members and a Code of Conduct for Officers is in place. Issues relating to breaking the Code of Conduct are dealt with by the following:

### The Standards Committee

It is the responsibility of the Authority's Standards Committee to promote high standards of conduct by Members and officers. It does this by advising on and promoting awareness and understanding of the code of conduct for Members and the code of conduct for officers, both of which have been adopted by the Authority. During the year the members of the committee increased from two to three.

### Monitoring Officer

The statutory Monitoring Officer functions are set out in Section 5 of the Local Government and Housing Act 1989 (as amended) i.e., in short, to report to the Authority if the Monitoring Officer considers that any proposal, decision, or omission by the Authority may give rise to unlawfulness or maladministration.. During the year the Authority appointed a new Monitoring Officer and agreed the appointment of the Administration and Democratic Services Manager as the permanent Deputy Monitoring Officer.

### Public Services Ombudsman for Wales

The Public Services Ombudsman for Wales has jurisdiction over the Authority's functions by virtue of the Public Services Ombudsman (Wales) Act 2005. He has not made any investigation into the Authority either in relation to any alleged breaches of the Members' Code of Conduct adopted by the Authority on 25 June 2008, or in relation to a complaint made against the Authority.

### Staff Members

Issues relating to the conduct of staff are normally considered in accordance with the Authority's Disciplinary procedures. All Authority staff have annual performance appraisals. This process allows an opportunity for managers and staff to review past performance, highlight potential areas of concern and agree future objectives to ensure they are linked to service plan/corporate targets.

### Whistle Blowing Policy

In the Public Interest Disclosure Act 1998 the Government has given statutory protection to employees who 'blow the whistle' by speaking out against corruption and malpractice at work. It protects them against victimisation and dismissal. In its commitment to the highest standards of openness, probity and accountability, the policy states "The Authority encourages employees and others with serious concerns about the Authority's work to come forward and raise their concerns with the Authority".

### Safeguarding Policy

The Authority approved an updated safeguarding policy in December 2019. The policy had been revised to take account of changes to legislation (Social Services and Well-being (Wales) Act 2014) and in the way these changes have been interpreted and delivered at a local level in West Wales. The new policy includes additional guidance and provides updates regarding processes and procedures. The policy aims to ensure that sound working practices are in place that put safeguarding as a priority and which are effective in managing risk for these vulnerable groups, but which will also protect staff and volunteers against wrongful or malicious allegations.

### Anti-Fraud and Bribery Policy

The Authority has in place approved an Anti-Fraud and Bribery Policy. The policy covers all employees, volunteers and members of the Authority. It incorporates the changes to the bribery legislation that have been included in the Bribery Act 2010. The Bribery Act 2010 establishes criminal offences and individuals found guilty can face an unlimited fine and imprisonment up to ten years. Where an organisation itself is found guilty of the offence then the penalty is an unlimited fine.

The Authority has taken the following action to improve its processes and structures and also to tackle identified issues of risk.

### Risk Management

The Risk Register is presented to each meeting of both the Audit & Corporate Services and Operational Review Committees and annually to the Authority. It is regularly reviewed by the Leadership Team when current risks are reviewed and new risks evaluated.

### Performance Management

The Authority uses the Ffynnon performance management system. Staff update the Ffynnon system directly with information to update performance reporting on a regular basis.

### Upgrading systems infrastructure

During 2019/20 the Authority undertook work on the following IT systems: development of digital technology apps to help improve the working practices and upgrading of broadband capacity.

### Internal Audit 2019/20

- has adequate and effective risk management;
- has adequate and effective governance; and
- has adequate and effective control processes.”

### Committees

Individual service team leaders update Members of their respective Review Committee with details of the work in progress within their respective teams. There is a clear documenting of decisions, meeting agenda and minute process. Members therefore make decisions based on timely and accurate information, although some decisions are deferred to allow Members more time for considered decisions.

### Wales Audit Office Reports

Wales Audit Office passes an opinion on its review of the Authority's performance and Statements of Accounts which is recorded in the WAO Improvement Assessment Letter and the ISA 260 report.

### Wales Audit Office National Park Authorities – Governance Review

Following the Auditor General's consultation on the Well-being of Future Generations Act and audit, all three National Park Authorities in Wales agreed to work with the Wales Audit Office in piloting approaches to audit under the Act. It has been agreed that over the next four years, the Wales Audit Office will undertake a series of governance reviews aimed at facilitating improved governance in the context of the Well-being of Future Generations Act.

During 2019/20 the Wales Audit Office carried out field work which focused on: Does Pembrokeshire Coast National Park Authority have an effective approach to involving

stakeholders when proposing and making changes to deliver service improvements? They carried out interviews and looked at documentation relating to Future Provision of Information to Visitors and Volunteer Forum alongside the wider approach of the Authority.

The Authority completed the Future Generations Commissioners' Self Reflection Toolkit in 2018/19 which enabled the Authority to assess its performance against the five ways of working. The Commissioner's office arranged workshops to help public bodies learn together and evaluate each other's responses. In 2019/20 the Authority received feedback from the Commissioner on its submission.

#### Annual Report on meeting the Well-being objectives

In 2019/20 the Authority published its Annual Report on meeting the Well-being Objectives (which also acted as our Annual Improvement Plan Part 2 under the Local Government (Wales) Measure 2011). This report sets out our performance on delivery in 2018/19 against the Authority's Well-being Objectives.

#### Benchmarking

The Authority undertakes benchmarking activities across a number of areas. Key performance indicators within the annual Corporate and Resources Plan are benchmarked against other National Park Authorities where comparative data is available.

The Authority submits an Annual Performance Report every November as part of the Welsh Government Planning Performance Framework. The annual report discusses how the Authority has performed against the indicators, identifying what it had done well so that this can be shared with others, and what steps might be taken to address areas of performance in need of improvement. Through the Framework the Authority is able to benchmark its performance against other Planning Authorities in Wales.

The Authority also in 2019/20 published its equality monitoring data in open data format as part of the Welsh Government initiative to help support benchmarking of recruitment and workforce diversity against other public bodies in Wales.

### **Principle 5**

### Staff Development

Learning and development needs are identified at annual performance reviews and priority 1 needs form the basis of the plans for the year. All new staff are 'inducted' on an individual basis when they start, with an annual corporate induction with the Chief Executive and Directors, and the opportunity to attend an all-UK National Park event. Appropriate certificated training is identified and scheduled with periodic refreshers.

Both team leaders and administrative staff participated in professional development programmes run by Pembrokeshire County Council. A cross authority programme to support administration staff is ongoing

Staff are able to access a wide range of appropriate training opportunities ensuring that they are able to continue to meet the requirements of their role. In addition, staff access training provided by Academy Wales.

### Health and Safety

Health and Safety is a high priority for the Authority and the Health and Safety Committee, which includes representatives from across the organisation meets four times a year. The minutes of these meetings are presented to Members.

During the year the Authority undertook a process to revise its Health and Safety Policy. The main driver for this was to reflect additional work undertaken in relation to Visitor Safety in the Countryside. The new policy was approved by Members.

The Health and Safety Action Plan identified the following risk priorities:

- Sedentary behaviour
- Work related Stress
- Work related Musculo-skeletal issues
- Fitness for lifetime working (especially in practical roles and nearing retirement)

A presentation was given to Members of the Audit and Performance Committee and Operational Review Committee on Visitor Safety.

### **Principle 6**

#### **Engaging with local people and other stakeholders to ensure robust public accountability.**

During the past year the Authority has sought to engage with local people and stakeholders through a range of consultations. Following last year's survey of community councils training sessions on planning have been provided to all who requested it.

The Authority proposes to continue to undertake consultation with residents, visitors, organisations and other stakeholders on a long term strategy on service delivery on the reducing funding anticipated over the next few years.

### Strategic Plans

Local Development Plan 2 was the subject of an Examination by an Independent Inspector in this financial year. The hearing sessions lasted 2 weeks with a final closing session in

early October 2019. The Authority prepared a document identifying proposed changes to the Local Development Plan and it has been published for consultation.

An opportunities and challenges document was produced to inform the revision of the National Park Management Plan and was circulated for comment in the latter part of 2018. As part of this process the Authority has carried out engagement activities to explore mechanisms for engaging with a wider audience. This included a session with Gypsy and Traveller young people and people engaged with the Solva Care Project.

The Authority took part in an equality perception survey carried out jointly with other public bodies in south West Wales and managed by Carmarthenshire County Council and also helped facilitate Pembrokeshire focus groups in conjunction with sessions run by Pembrokeshire County Council. Feedback from the survey and focus groups informed the drafting of the Authority's revised Equality Plan 2020-24 and its equality impact assessment.

#### Partnership working arrangements

The Authority works with a number of external bodies helping to improve value for money and in communicating with various other interest groups to deliver a number of common projects, e.g.:

A subsequent meeting was arranged between Members and the Youth Rangers to further develop work in this area.

#### Embedding Engagement across the Authority

The Authority has endorsed Participation Cymru's 10 National Principles for Public Engagement in Wales. An engagement plan is in place to help focus and drive action in this area with three priority areas and three longer term areas. An engagement action plan group monitors implementation of the action plan.

The three priority areas within the engagement action plan are

- Testing new approaches to engagement through National Park Management Plan Development
- Development of mechanisms for young people to influence the work of the Authority

- Engaging Volunteers and Service Users

During 2019/20 the Authority established a Volunteer Forum, providing an opportunity for volunteers to learn more about the Authority and influence its priorities, policies and volunteer offer.
